

The Official Directory of the North East Chamber of Commerce 2011

The North East Chamber of Commerce, NECC, is the leading business membership organisation in the region, with more than 4,000 members, ranging from owner-managed SMEs to FTSE quoted companies.

It is one of the largest chambers of commerce in the UK, making it a powerful voice in representing its members' interests in ensuring that government – locally, regionally and nationally – hears the voice of business in the North East of England.

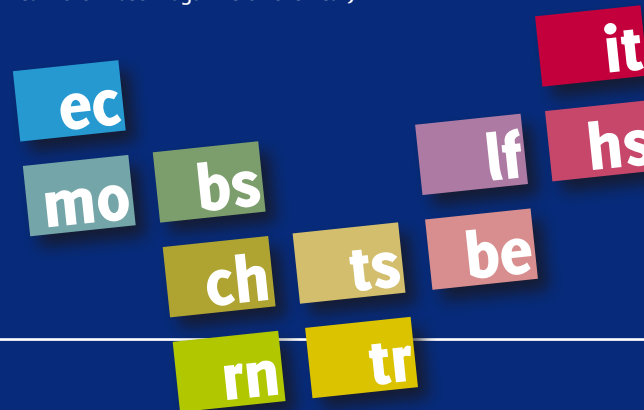

The Regional Business Directory is the annual flagship membership publication for NECC. As well as providing invaluable contacts for every Chamber member it also provides leading business commentary from some of the region's most influential business people and business leaders on our regional economy, with informed analysis on what we can look forward to in the year ahead.

It also features detail on NECC campaigning, services and networking events. But, the heart of the publication is a comprehensive listing of individuals, businesses and organisations, making the directory an essential business tool.

The A4 directory will be published in January 2011 with distribution to all chamber member businesses and other locations such as government agency offices, business support organisations and local authority procurement teams across the region.

Feature sections in the directory will include focuses on the Economy, Legal and Finance, Transport, Built Environment, Business Support, Information Technology, Renewables, Manufacturing & Offshore, Training & Recruitment, Corporate Hospitality and Health & Safety.

The NECC Regional Business Directory will be relaunched in January 2011 by room501, the North East based publisher of NECC Contact Magazine and a highly acclaimed stable of other titles, including BQ Magazine (named North East Magazine of the Year).
